

WELCOME to Parker Orthodontics!

Dr. Jeff Collins and his team are committed to providing you and your family with an exceptional orthodontic experience. We truly care about our patients and strive to make each visit a relaxing, positive experience as you achieve the beautiful healthy smile you've always dreamed of.

As we prepare for your consultation with Dr. Collins, we encourage you to:

- Complete and submit a Health History Form for each family member we are seeing.
- Please have your children complete and bring to their appointment, the big mouth "Welcome" page so we can get to know them better!
- If you have orthodontic insurance, please bring along your insurance card or the general information.

We are here to serve you...
to exceed your expectations...
to provide you with excellent,
state of the art orthodontic care...
to encourage your cooperation in
achieving a beautiful healthy
smile and to enjoy your
experience with us.

We thank you for choosing Parker Orthodontics and look forward to seeing you!

WELCOME

My Name is...

But, you can call me...

I play...
(sport or instrument)

Braces would be...

My friends...

come here for their braces too!

I have a pet.
It's a...

and I call it...

My hobbies are...

My favorite T.V. show is...

and I like to read...

My favorite music group is...

I wish I could...

The greatest thing happened to me
and it was...

Our patients become our friends!
We are not only here to serve you
and provide you with excellent
orthodontic care but want you to
enjoy your experience with us.
Please help us get to know you
by telling us about yourself...

Thanks,
Dr. Jeffrey Collins and Staff!
